

# SLC Management Short Term Private Fixed Income Plus Fund

The Fund seeks to achieve total return by providing income while preserving capital, by investing primarily in a diverse portfolio of short term private and public fixed income and floating rate assets.

## Strategy highlights

- Access to high quality deal flow through one of the largest and most tenured private fixed income teams in North America<sup>1</sup>
- Institutional quality core investment grade<sup>2</sup> portfolio that is well diversified by issuer, sector and asset type
- Highly negotiated and customised transactions, which may provide investors with a sustainable excess yield over comparably rated public market investments
- Rigorous risk controls through tight covenants, credit enhancements and collateral packages

<sup>1</sup> According to PPIA Private Placement investors Association 2018 Survey Results

<sup>2</sup> Investment-grade credit ratings of our private placements portfolio are based on a proprietary, internal credit rating methodology that was developed using both externally-purchased and internally developed models. This methodology is reviewed regularly. More details can be shared upon request. There is no guarantee that the same rating(s) would be assigned to portfolio asset(s) if they were independently rated by a major credit ratings organization.

<sup>3</sup> "FTSE®" is a trade mark of FTSE International Limited and is used under license.

<sup>4</sup> Ratings presented include credit ratings one tier above and one below alphabetical classification, and are determined based on an internal credit rating process. For a description of the credit rating methodology, please see the Fund's offering memorandum, available on request.

<sup>5</sup> Returns shown are net of Fund expenses and gross of management fees. Management fees paid directly to Sun Life Capital Management (Canada) Inc. should be considered when assessing net performance. Returns greater than one year are annualized.
